Presenting the
CENTENNIAL EDITION

of
1961

Published by
THE SENIOR CLASS
of
Lanark Community Unit High School
Lanark, Illinois

This school was the first built by the city of Lanark. Completed in August, 1867, this building situated on the site of the present grade school was used both as a grammar and high school. On November 25, 1893, the school was destroyed by fire.

The Old North Side School House was built on the north side of the railroad tracks. Grades 1-6 were taught here, and upon completion of these grades the student moved on to the old high school. The building was not used after 1894 and was finally torn down.

"Lanark's Pride," the school building shown here, was built in the summer of 1894 on the same site as the building which burned the year before. In 1912 an addition was added to this building, and in 1928 a gymnasium was built. Upon erection of the present grade school building in 1958, this building was torn down.

The present Lanark High School was completed in the winter of 1951. An addition of four rooms for the Junior High was ready for use in the fall of 1957. In 1955 a bus garage was erected and in 1957 the Lion's Club sponsored the building of the tennis courts on the school grounds.

Foreword

Within the pages of the 1961 Centennial Edition of the Lanette is some of the history of the Lanark School System. We have tried to create an impression of the old compared with the new, hoping it will bring to mind fond memories of your years at LHS.

The present Lanark Grade School was completed and ready for use in the fall of 1958. The building stands on the same lot as the former grade school, and the old gymnasium was remodeled to serve the dual purpose of a cafeteria and a gymnasium.

To Our Alumni

We, the Class of 1961,
dedicate this Centennial
Edition of the Lanette to
the alumni of Lanark High.

Schools supply the basic tools for getting an education, experience is the real educator. The value of education is what the individual makes of it after school days are over. You have inherited the best educational system in the world. With this you have inherited freedom. Three requirements for all free citizens are: acceptance of responsibility, self discipline, and doing unto others as you would have them do unto you.

You, the Class of 1961, are especially honored by being the class to graduate during our Centennial Year. The people of Lanark will long remember this year. Let them also long remember this class. You represent one hundred years of progress. This progress will be measured by what you do. People may doubt what you say, but they will always believe what you do.

The faculty at Lanark High has tried to endow you with that competitive spirit which is the trademark of all Americans. The will to win has been our greatest asset. This spirit, more than all else, has made our country great. We need it today more than at any other time in our history.

I have always had a lot of faith in this class. You have chosen for your goal, "Life is What You Make It." I firmly believe that each one of you will achieve this goal in your own individual way and that your achievement will be an honor to you, your parents, your school, and your community.

FIRST ANNUAL
COMMENCEMENT

—OF THE—

Lanark High School,

In the M. E. Church,

Sunday Evening, June 11, 1876

Time

Marches On.

On Friday evening, June 11, 1876, the first annual commencement of Lanark High School was held in the Methodist Church. The first graduating class consisted of three members, Emma White, Emma Wheat, and Edward L. Copeland. Mr. F. T. Oldt, principal, wrote, "I shall never forget the difficulty in securing a church in which to hold the first exercises. It was only after three meetings of the trustees and my personal assurance that there would be no running over the backs of the seats that a house was secured."

According to THE HISTOR

OF CARROLL COUNTY, published in 1878, the first school in Rock Creek Township was taught by Phel Humphry in the winter of 1849-50 in an old log house rented for the occasion. The first school house was built in 1853. Asa Belding was the first teacher to occupy it.

In the early part of 1862, a man, who owned what is now the George Jones home, gathered all the children together and conducted school in his sitting room. In the same year a private school was held in the sitting room of Mrs. Figely's home. The building was known later as the Charles Wales Building. Mrs. Williams, an eastern girl, was the teacher.

At one time the Church of God, which is now the David Bowman home, was used as a school. However, the building was too small to accommodate the rising generation so the Cowell Building, later known as the Teachout Building, now the Comfort Station was secured. School was held upstairs as well as downstairs.

When Lanark was four years old the people moved for the erection of a school, the style and architecture of which should be in keeping with the character of the town.

A lot was purchased from Mr. Stover for \$750.00. In 1867, Alexander Smith, architect and builder from Chicago, was considered and accepted. He proposed to superintend the building of the school house, to make his own drawings, and all contracts, and to take full charge of all mechanics for \$600.00, subject to the direction of the director.

In 1881, a Class Day program was presented. Educational journals at that time spoke of it as the first distinctive Class Day program presented by a high school. In this year a high school paper was established, the Alumni Association was organized and the baccalaureate sermon and a debating and declamatory contest were made features of commencement week.

From the time of the first building to the present, the people of Lanark community have shown a steady interest in education. As the community grew in size and needs, so did the school grow. In 1911 an addition was necessary and a gymnasium was added in 1928. These buildings housed the high school until it was moved into the present building on September 8, 1951.

On January 15, 1949, the Lanark Community voted to join all of the rural districts of the community and the high school district into the Lanark Community Unit District No. 305 under the control of one Board of Education.

This history of the Lanark Educational system reveals the desire of the community to educate its young people. This is evidenced by the number of alumni who have returned to serve as faculty and school board members.

Football

Back in the year 1937 Lanark High School began football by organizing an eleven-man team under Coach George Garber. This team played and practiced against such teams as Savanna, Mt. Carroll, and Leaf River. In that '37 season Lanark didn't do too well, as it went winless. Later Lanark changed to a six-man team, then back to an eleven-man team.

This year the Fighting Beavers were not able to post a victory, either. During the first five games the Beavers were held scoreless. In the sixth game Ron Schrader crossed Milledgeville's goal line twice. The next game the Beavers were again held scoreless, but they ended their season by scoring twelve points against Mt. Carroll in the Beaver's Homecoming game.

The tackle trophy, presented annually by Dr. Walter Nehrkorn to the player making the most tackles, was won by Gary Lamoreux, one of the three captains. A new award was also given this year. To determine who receives it, the team members, coaches, and managers vote for one outstanding member of the team who has the qualities of leadership, attitude, character, and effort throughout the season. This person is called the "Football Beaver of the Year" and has his picture hung in the school building. Gary Lamoreux was elected "Football Beaver of the Year" for 1960.

The Lanark Beavers this year posted a 9-15 record-- the best since the '58 team had an identical one. In Lanark's first Holiday Tournament the Beavers won their only trophy of the season by taking second place. Their Blackhawk Conference record was 5-9, and their Carroll County Conference record was 2-3. The team was composed basically of seven players--five seniors, whose loss will be greatly felt, one junior, and one sophomore. Various members of the frosh-soph team often suited up for the varsity game to help out when they were needed.

This year the Lanark Beavers had a very good shooting percentage from both the field and the free throw line where they made 62% of their free throws. Jim Parod, the honorary captain, had the best individual percentage with an excellent mark of 77.5%.

Holiday Tourney

This year Lanark held its first Christmas holiday tournament. Eight teams competed in the contest, which had a consolation bracket for first-round losers. The Fighting Beavers, successfully launching their Lanark Holiday Tournament, mowed down their first two opponents, East Dubuque and Hanover, with little trouble. Though in the championship game they lost by a few points to Chadwick; the Beavers won the second-place trophy.

The tournament was made attractive in many little ways. The Fighting Beaver mascot, the card section, and the transparent hoop were all initiated for the tournament. Souvenirs of the tournament were sold, and a daily TOURNEY SPECIAL news sheet, sponsored by the Lanark merchants, was published.

The Little Beavers started their season slowly in losing their first four games, but then they jelled and won the next five straight in posting an 8 - 13 season record. The freshman - sophomore team's greatest accomplishment during the year was winning the second-place trophy in the frosh - soph division of the Carroll County Conference Tournament at Milledgeville. In the Blackhawk Conference the Little Beavers won five and lost nine, and in the Carroll County Conference they won two and lost three.

Lanette was the name given to the fourth annual in 1947. In that year a contest was held and the winning name, Lanette, was entered by Judy Weisz. This name was to be continued as long as there was an annual published for Lanark High School.

Kwill Klub, the journalistic organization of Lanark High, was started in 1937. Its function is to publish the monthly newspaper, the Lan-O-Type. The latest news, gossip, and high lights of student life are printed to inform the students of school happenings. Members are selected by the Kwill Klub from the persons nominated by the English teachers, but all students are entitled to express themselves in writing and art.

The National Honor Society was granted a charter by the National Association of Secondary School Principals in October of 1934. Members of this organization are chosen by the faculty on the basis of their character, service, leadership, and scholarship. Each year ten per cent of the junior class and twenty per cent of the senior class are chosen as members.

THE STUDENT COUNCIL of 1946

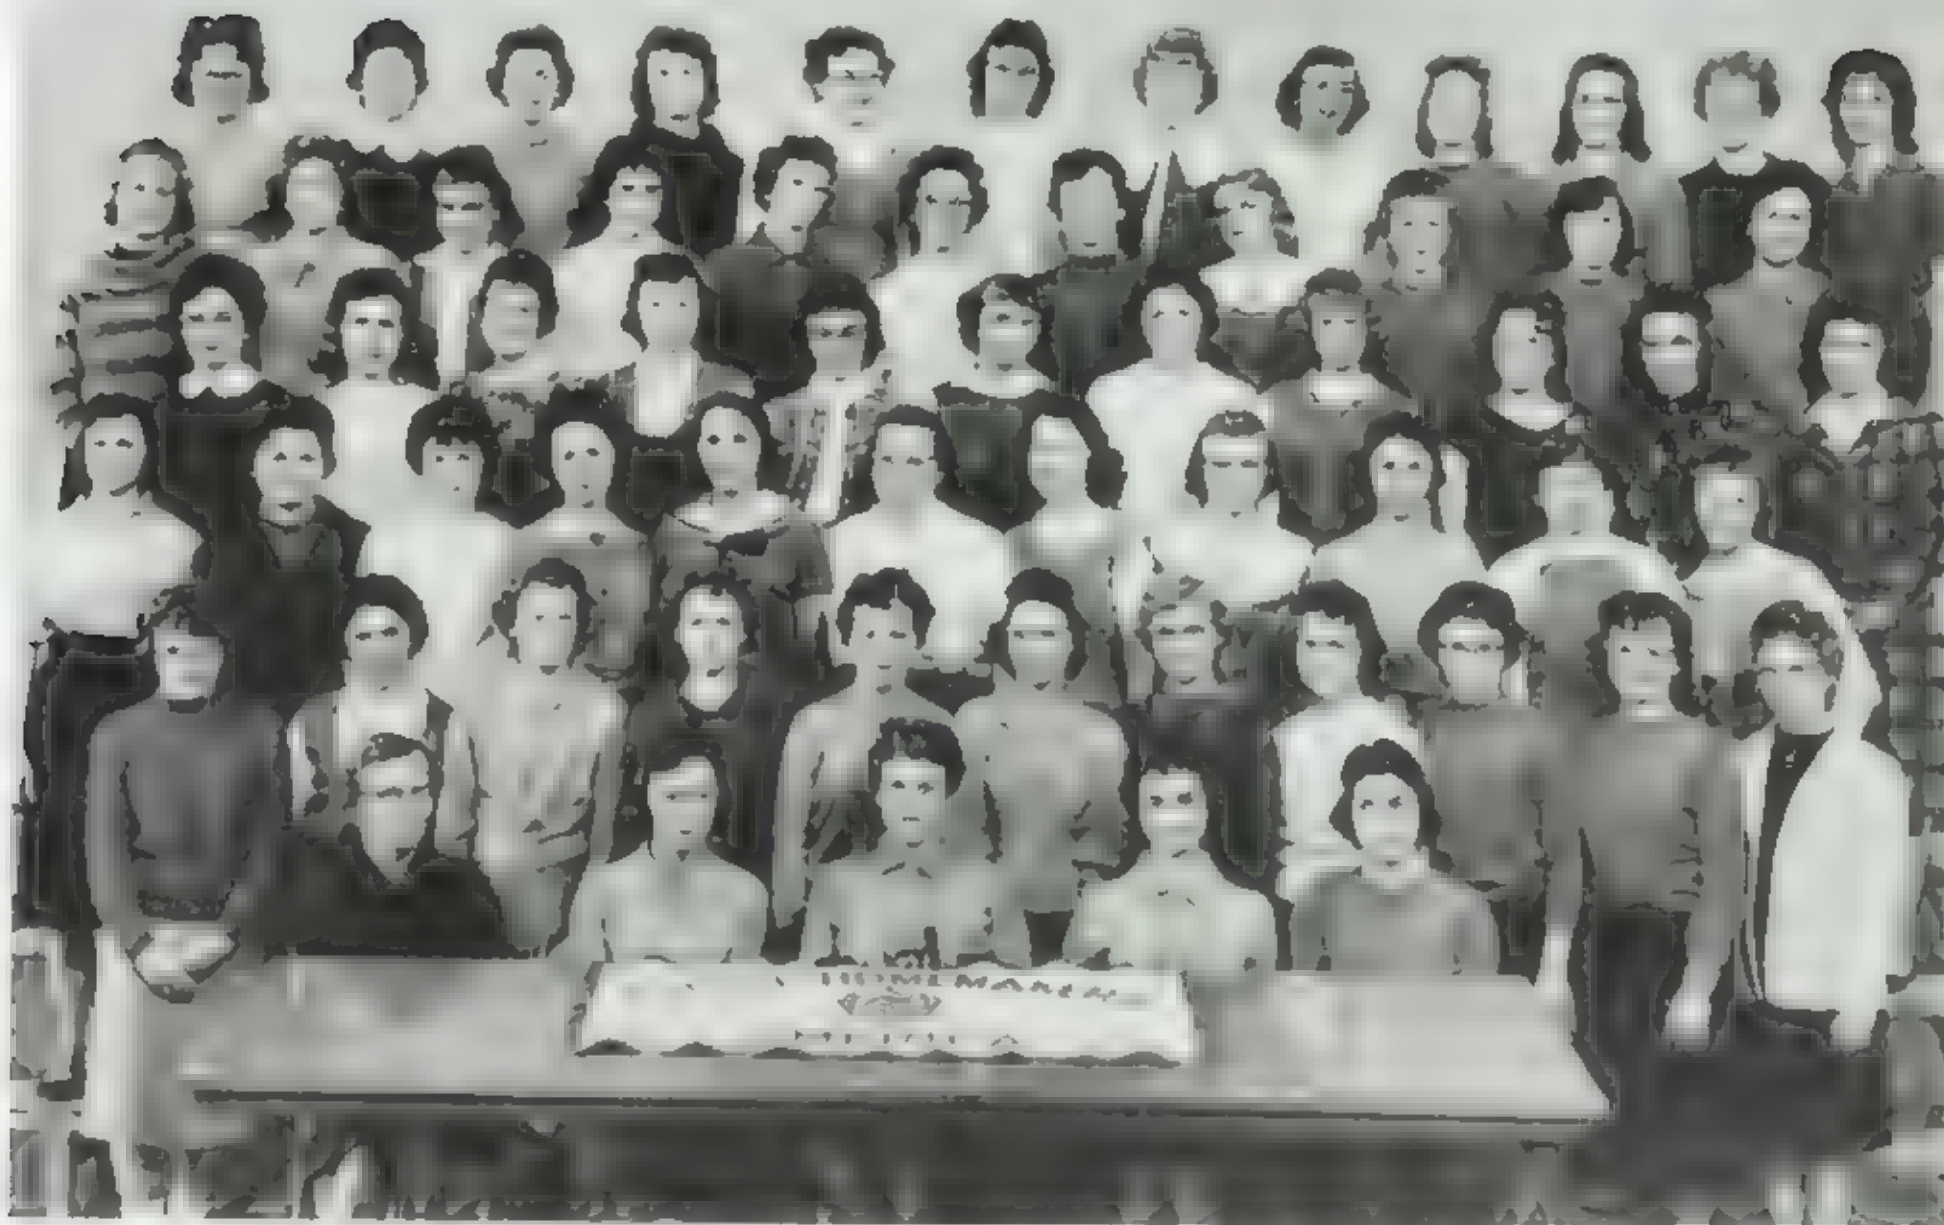

Lanark High School has had a Student Council since 1928. This is the only organization which is concerned with the government and problems of the school. An aim of the Student Council is to produce harmony at all times within the student body. Members of the Student Council consist of a boy and a girl from each of the classes plus the presidents of all school organizations.

FHA, a national organization, was chartered in Illinois in January of 1946 and in Lanark in 1947. The first president was Betty Martin Foskick. The following summer Barbara Isenberger Lower was chosen as State Parliamentarian and on July 9, 1948, Gayle Garner Novakowski attended the first National Convention which was held in Kansas City, Missouri, with a majority of the states represented. The constitution was ratified.

Mrs. Robert Merchant Sr. was our first Chapter Mother. Mrs. Russell Rahn, the second Chapter Mother, is so far the only one elected Life Honorary Member of Lanark's Chapter.

During the years Lanark's Chapter has had a section officer every year but one. Some who have served as Section President are: Carolee Manning Zuck, Joyce Bear Gouker, JoAnn Prins Buclow and Diane Flickinger.

The Future Farmers of America was founded as a National Organization in November, 1928, as part of the Vocational Agriculture Program. The foundations upon which the FFA is founded include leadership, character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

The Lanark Chapter was founded March 11, 1930, and over the years the members have accomplished many things. The most outstanding of these is the production of three American Farmers and forty seven State Farmers. Also, the chapter has many times won state and national recognition in various FFA activities.

The individual farming programs are the basis for all FFA activity. The members of the Lanark Chapter have a total of 79 projects covering the entire field of farming. Besides the basic beef, swine, sheep, poultry, and crop enterprises, many members also have supplementary projects in the fields of farm mechanics, soil conservation, farm-and-home beautification, safety, and electricity. Also, many members are engaged in such things as fair activity, parliamentary procedure, and leadership activity.

Any person who merits a major letter award may be eligible for membership of the "L" Club and must join the club within the semester that he is invited. Minor lettermen are associate members having no voting power. To maintain membership, one must participate in one sport yearly.

The "L" Club became active in 1946. Some of the presidents include David Rahn, Harvey Downing, Tom Tallman, Bennett Dambman, Wayne Martin, Richard Flickinger, James Gillogly, Edwin Lamoreux, Larry Rostron, Allan Rahn, Sam Miller, and Donovan Graham.

This year Jeff Fysh, Gary Lamoreux, Jim Misiewicz, and Roger Schaulin served as ushers for the Regional Tournament.

The history of the Lanark Girls' Athletic Association dates back to 1937 when it was started by Miss Scharr. The organization was soon affiliated with the State Girls' Athletic Association. Still in use is the point system which enables a member to earn a letter for fulfilling certain athletic requirements.

Every Tuesday the present GAA meets to enjoy various sports such as volleyball, softball, soccer, and relay races. The GAA has been under the leadership of Miss Helen Dude since 1958. The big event of this year was the "Beatnik Bop" held March 10, 1961.

Band

In 1923 Mr. Leonard Wierson organized a band of members from all of the grades. Bob Warfel, a third grader, beat a drum almost as large as he. In March of 1924 they were ready for their first annual concert. In this concert the band played "Nearer My God to Thee" so that even the slower players had a chance to get in a few notes. The band broadcast from WOC in the spring of 1925 as well as from Beloit College in 1926. During the next year the band entered the State Contest for the first time and in 1928 they qualified for national competition. From Joniet they brought back high honors. Again in 1930 the band was eligible to enter the National Contest, this time held in Flint, Michigan. Everyone was extremely happy until they realized that the musical composition they had won with at the State was not on the list required for the National Contest. With about two weeks left, the band began to practice "Light Cavalry." Bent on going to the National Contest, band members arrived at school as early as seven in the morning and practiced "Light Cavalry" morning, noon, and night. The PRAIRIE FARMER ran a special illustrated article about the band when they finally realized their dream and left for Flint, Michigan. They went by special train, played in the Union Depot in Chicago, and were met by half of Lanark when they returned. Truly they had put Lanark on the map.

In more recent years our band has won many honors. For the past five years it has won a superior rating in district competition, allowing it to advance to the State Contest. Each year it participates in the Blackhawk Music Festival, and each year one band member is chosen to play in the All State Band. Four years ago the John Phillip Sousa Band Award was initiated. This award goes to the most outstanding senior member who is chosen on a basis of points accumulated throughout his junior high and high school years.

Our band has entertained on many occasions. In 1955 it gave a concert for the Polo students. The next year it played for the Carroll County Teachers Institute. In 1960 it journeyed to Rockford, to entertain the Illinois Education Association, and later played a concert for the Forreston students. The band plays for all home football and basketball games and marches in the annual Memorial Day Parade. Since 1956 it has played for the high school commencement exercises. Under the able direction of Miss Phyllis Clendening for the past seven years, our band has grown from approximately forty to sixty-five members.

Homecoming Parade

The first homecoming parade ever held in Lanark was a great success despite the attempts of the weatherman to ruin it. The band led off the festivities and was followed by floats representing the music department, FHA, FFA, Industrial Arts Club, and the four classes. First prize went to the music department with their theme of "Only we're *lf* enough to knock 'em *h* ." Second prize went to the senior class whose theme of "We'll Rule Their Roost" was depicted by a beaver standing over a Hawk's nest. Third prize was claimed by the junior class whose display of a beaver licking a giant lollipop represented their theme of "Lick 'em Beavers." Prizes of \$10, \$7, and \$5 were awarded by the Student Council. Next year we hope other school clubs and Lanark business houses and organizations will join the fun in our second Homecoming Parade.

H C H O O L

Mr. Wesley Shepard, Principal

I'm giving you the ball, son, and naming you the quarterback for your team in the game of life. I am your coach, so I'll give it to you straight.

There is only one schedule to play. It lasts all your life, but consists of only one game. It is long with no time out and no substitutions. You play the whole game—all of your life.

You'll have a great backfield. You are calling the signals, but the other three fellows in the backfield with you have great reputations. They are named Faith, Hope, and Charity.

You'll work behind a truly powerful line. End to end, it consists of Honesty, Loyalty, Devotion to Duty, Self Respect, Sturdy Cleanliness and Good Behavior.

The Goal Posts are the Gates of Heaven.

God is the referee and sole official. He makes all the rules, and there is no appeal from them.

There are ten rules. You know them as the Ten Commandments and you play them strictly in accordance with your own religion.

There is also an important ground rule. It is, "As ye would that men should do to you, do ye also to them likewise."

Here is the ball. It is your immortal soul! Hold onto it. Now, son, get in there and let's see what you can do with it.

OUR COMMUNITY . . .

Locally produced **DeKalb Feeds** aid the cattle feeder, hog feeder, and dairy man in getting more pounds of beef, pork and milk from the grains and roughages grown on their farms.

EVERYONE BENEFITS . . .

The wide use of **DeKalb Feeds** returns dollars to be spent in local stores, to pay taxes, improve living standards. Thus, DeKalb Feed Sales benefit everyone.

Excuse our mistakes. We hope they are few. It has been our desire that this directory will be a means of renewing old friendships. Thanks to those who have contributed time and information to make this directory as correct and complete as possible.

We would also like to add a special thank you to our sponsors, Mrs. Henry and Mr. Bergdall, for all the time they have devoted to helping us. Without all of the hard work which they have done for us, we surely could not have published this annual.
